MANY PEOPLE MISINVEST

Even a low rate of interest does not warrant absolute security and perpetual dividends. The great value of Annuity purchase is little understood by American people. The growing difficulty of making investments yield a fair rate for the support of aged persons, makes purchase of annuities very attractive to those who wish to be relieved from care.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain lacks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
